Dear David

CPTED LIGHTING – SOUTHERN GOVERNMENT GARDENS, ROTORUA

I am writing to express thanks on behalf of Rotorua District Council for your work in completing the Crime Prevention Through Environmental Design (CPTED) lighting assessment of the southern Government Gardens area.

Particularly, I wish to acknowledge the way in which Odyssey Energy Limited handled the difficulties around obtaining a CPTED peer review of your findings. The fact Odyssey Energy absorbed the additional and unexpected costs of seeking the "peer review", and persevered with the project despite the challenges this posed, is a clear indication of the integrity of your organisation.

Thank you once again for working with us on this important community safety project.

Wishing you and your colleagues a safe and happy festive season,

Kind regards
